PROFILE SUMMARY

I am a Front-End Developer proficient in HTML, CSS, and JavaScript, with a diverse skill set encompassing various web technologies. Demonstrated ability to create visually appealing and responsive user interfaces. Strong problem-solving skills and a keen eye for design, committed to delivering high-quality web experiences.

WORK EXPERIENCE

Front End Web Developer   2023 - 2023
Home Base

- Collaborated in a dynamic software house environment, contributing expertise in HTML, CSS, and JavaScript. Led the design and development of responsive landing pages, showcasing a keen eye for user-centric design principles. Worked closely with cross-functional teams to ensure seamless integration of front-end components. Successfully delivered multiple projects, meeting client requirements and adhering to industry best practices.
